Verse One

C Cmaj7
I can't count the times that I've hung my head
C7 F
And wished I could go back and leave a word unsaid
C Cmaj7
Though I could not see the pain upon your face
C7 F Fm
I think I felt the breeze as you walk away

Chorus:

C Cmaj7
I want to see you smile I want to hear well done
C7 F
I want to know you're pleased when my race is run
C Cmaj7
I want to bare my cross and go the extra mile
C7 F
As a faithful child, I want to see you smile
Fm C
I wanna see you smile

V2

C Cmaj7
I only know too well the self righteousness
C7 F
That creeps up on me, blind to my own mess
C Cmaj7
I feel the sting of shame as I'm made aware
C7 F Fm
The mercies I've received when grace has met me there

CHORUS

C Cmaj7
Bridge- I keep seeking and praying And if my faith starts swaying
C7 F
I will run to the one who's never let me down
C Cmaj7
I meet his approval Not by works or being good
C7 F
But by trusting in the finished work he's done
