Am G
Why does it feel like I'm all alone
Am G
Why does it feel like your far away
Am G
I want to feel what my heart knows
Am G
That you'll never leave and you'll not forsake
F
Remind me....

Am Dm
(Chorus) **He left you dying on a rugged tree**
Am Dm
Absorbing wrath he should have poured on me
Am Dm
In agony you hung there on your own
Am Dm
So I would never have to be alone
Am
Never Be Alone

Am G
Boldly I come to your throne of grace
Am G
Desperately seeking mercies anew
Am G
You can relate to when I am weak
Am G
You've been abandoned, you've been abused
F
Remind me

CHORUS

Bridge
F Am
Soon the dwelling place of God will be with man
F Am
But even now we are held fast within your hand
F Am
You have reconciled and brought the distant near
F Am E
Soon to banish every sorrow, every fear

CHORUS
