Chorus:

Fm Eb
I'm not gonna go there
C# Eb
No No No gonna take it captive
Fm Eb
I'm not gonna go there
C# Eb
No No No gonna take it captive

Verse One:

Fm Eb
When thoughts are free to run through this heart and mind
C# C
The lines are blurred between what's truth and what's a lie
Fm Eb
And since I know that I have reaped what I have sown
C# C
There's places in my mind I'm never free to go

Chorus

Verse Two:

Fm Eb
My soul is hastening to trust him and obey
C# C
So I won't compromise when my thoughts go astray
Fm Eb
I am resolved to hide his word down in my heart
C# C
And be renewed each day right from the very start

Chorus

Bridge:

Not gonna go there, no, gonna take it captive (4X)
