Verse One:

Bm E A F#m
I come to you today for self examination
Bm E F#
For correction and reproof, inspection of my fruit
Bm E A F#m
As I sing my hymn of praise and declare that it is well
Bm E F#
Does the word of God in me richly dwell

Chorus

Bm E A F#m
Am I being transformed, renewed day by day
Bm E F#
Putting to death worldly thoughts and carnal ways
Bm E A F#m
Am I growing in grace as your word lights my way
Bm E F#
Does the fruit in my life show I'm changed?

Verse Two:

Bm E A F#m
As I cling unto the cross and claim my victory
Bm E F#
Am I crucified with you or abusing liberty
Bm E A F#m
If I'm who I say I am , your word will say it too
Bm E F#m
As old things pass away and become new

Chorus (2x)
