

## Walking In Faith and Victory

Philip N. Robinson/Kim's Kastle Publishing/BMI

### Verse One

Dm Gm Am Dm  
I don't know how the story goes in your life, I just know mine  
Dm Gm Am Dm  
I can't tell you how to play the game of life, It just takes time  
Bb Gm  
But I've learned when a mountain rises so high that I can't climb  
A A7  
I can't live by what I see, but by faith I can survive

### **Chorus**

Dm  
I'll keep walking in faith and victory  
  
Living the plans God has for me  
  
Serving the one who set me free  
  
Walking in faith and victory  
  
Walking in faith and victory  
  
Dm F G (4X)

### Verse Two

Dm Gm Am Dm  
It takes more than a step of faith, it's a daily walk  
Dm Gm Am Dm  
It's not for the faint of heart, oh no, you gotta walk what you talk  
Bb Gm  
When you're down, disheartened, and feel you can't go on  
A A7  
Hold on to the promise that in Him you can be strong

### **Chorus**

Dm F G (4X)

### Bridge:

Keep on walking, Keep on walking, Keep on walking on (2x)

Keep on , Keep on walking, Keep on, keep on walking, Keep on, Keep walking on (2X)
